

ENERGY POLICY

Roadstone Ltd. is the leading producer and supplier of construction aggregates, road surfacing materials, ready mixed concrete, concrete blocks, architectural products and milled lime in the Republic of Ireland. The company recognises that responsible energy management is an integral part of its business and therefore endeavours to undertake its activities in a responsible and energy efficient manner.

Aims:-

1. Establish, implement and maintain an energy management system in accordance with I.S.O 50001 at selected locations throughout Ireland. The scope of the Energy Management System will include the use of electricity, fuel and water at these locations.
2. Constantly review and improve our purchasing by supporting the purchase of energy efficient products and services, design for energy performance improvement, operating, motivation and training practices in relation to energy consumption.
3. Invest in energy saving measures and energy management activities.
4. Establish and maintain a management information system to ensure that information is delivered to those who need it, on time and in a form which supports their management decision-making.

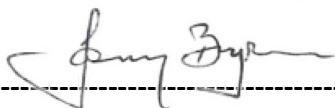

Roadstone Ltd. will:-

- Comply with applicable energy related legislation, industry best practice and third party agreements.
- Be a good neighbour
- Achieve continuous improvement in CO2 emissions and energy efficiency.

Roadstone Ltd. will actively pursue this policy by:-

- Operating an Energy Management System to assist in implementation of this policy
- Maintain EXEED certification for relevant assets, where applicable
- Improving awareness among staff and other relative parties in relation to energy issues
- Setting, monitoring and reviewing energy objectives and targets
- Reducing our dependence on fossil fuels and investing in renewable energy and energy efficient sustainable technologies
- Making available the required resources and information necessary to operate this policy in accordance with BAT(Best Available Technique) principles

The Company will ensure that all employees are fully conversant with these objectives.
